Data Protection Information

When you join RATS you sign appropriate paperwork (e.g. this membership form) that allow us to communicate to you on all aspects of RATS related business. The completed paperwork forms part of the financial records of the charity that have to be maintained under the requirements of various financial laws and the requirements of the Charity Commission.

The UK Data Protection law changed on May 25th 2018 and like all charities and companies we are compelled to revisit the authorisations you provided in the past and that you give here. Essentially, we need your explicit permission to stay in touch – the new data protection laws mean that we need your permission to stay in touch, even if you are a long-term supporter OR you have given us permission before.

So if you do not opt in to hear from us, you may get left out of various important communications.

Some of the things we send are core parts of your membership, and this includes your newsletter and invitation to the AGM, which you will continue to receive.

Your privacy is important to us, so we'll always keep your details secure and never use them for marketing communications that you haven't agreed to receive.

Your support matters so we'd like to use your details to keep in touch about things that may matter to you, including but not limited to providing volunteer support. If you choose to hear from us we may send you information regarding volunteering with us, membership, events, fundraising, our AGM and our shop(s).

If you are happy to hear from us regarding these additional items, please complete the short consent form below and return to: Kevin Levitt, Finance [Membership], 8 Hooked Lane, Wilstead, Beds. MK45 3DL OR email info.rats@gmail.com with the details below.

At any time you can change your mind about whether to receive that additional information from us by writing to: Kevin Levitt, Finance [Membership], 8 Hooked Lane, Wilstead, Beds. MK45 3DL OR email info.rats@gmail.com
